

696-250

independently controlling the temperature in each of said separate and independent radiant cracking zones.

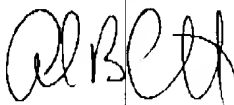

REMARKS

Reconsideration and allowance are respectfully requested.

Applicants are submitting the present Supplement Amendment to correct typographical errors in the present claims. No new matter is submitted. Applicants respectfully request that the Examiner consider these amendments in examining the present application.

The Examiner is invited to contact the undersigned to resolve any still outstanding matter. Early and favorable action is earnestly solicited.

Respectfully submitted,

Alan B. Clement
Registration No. 34,563
